STATUS	PASS

Assessment Feedback

You met the basic requirements. However, you need to focus on improving your implementation, documentation, and testing practices to meet professional standards.

Strengths

- Good documentation (comprehensive README)
- Strong modular structure
- Good testing coverage
- Professional implementation
- Complete prompt documentation

Required Improvements

- CRITICAL: Add research analysis section (parameter investigation required - 0/10 points lost)
- Add architecture documentation
- Add cost tracking and analysis
- Improve git workflow (needs more commits)
- Add CI/CD pipeline
- Add extensibility features

Work on these areas for improvement. Meeting these requirements will significantly improve your grade and professional readiness.
